Commissioner Cliff Thael
Leon County Board of County Commissioners
Leon County Courthouse
Tallahassee, FL 32301

Dear Commissioner Thael,

On September 30, 2003 the agreement between Partners For Highway Safety and Leon County expired. This agreement provided supplemental funding for all Leon County students that enrolled in our teen traffic safety programs in the amount of 100.00 dollars. I am requesting that this agreement be renewed effective October 1, 2003 based on the terms of last year's contract.

For the period of October 1, 2003 through September 30, 2004 I am requesting that funds in the amount of \$70,000.00 be allocated to provide a credit in the amount of \$100.00 for 700 Leon County students.

As you know, PHS did not request funding from the Board to purchase equipment for the programs last year. PHS is requesting a grant from the Greg Burris Memorial fund in the amount of \$9,800.00 to be used to purchase needed equipment. Should the Board approve this request PHS will purchase the following equipment: Television, VCR, LCD projector and screen. Funds will also be used to purchase a vehicle to be used on the driving range during our CAT program.

I want to thank you again for your past support of our efforts and for considering this request.

Sincerely,

Paul Burris
President/Founder
